The Dillard University Blue Devil is the official mascot of the University family.

The Blue Devil is our public symbol of loyalty and faith in our various competitive events. He is always on hand to boost the morale and spirit of our athletic teams and the student body.

This year marks the graduation of our Blue Devil who has given faithfully of his service throughout his four years here. As a freshman, from Houston, Texas, majoring in pre-medicine, he accepted the mysterious role of the Blue Devil with all the dedication and devotion that the position required. As a senior, now able to unveil, he leaves us with these same qualities.

For his outstanding achievements, unselfish contributions to campus life and his devoted enthusiasm in co-curricular activities and as our departing "Blue Devil," we salute Charles Eugene Witchett for a job well done.

"Good Luck and May God Bless You Always."

In Recognition

Everybody knows him. Everybody who has come to Dillard for the past fourteen years has come to know him. Freshmen are afraid of him; sophomores are sour with him; juniors are fond of him and seniors know that they will never forget him.

Rumor has it that James Hardy Dillard put him here to watch over the first building on the new campus. A more reliable, but very emotional source (Mrs. Fannie Ridgeway) reports that he was brought here as a puppy in 1947 by Mr. Leland Hall, a social science instructor. So went the inauspicious debut of "Blackie" on the Dillard University campus.

Legend has it that at the time Mr. Dent didn't want dogs kept on campus because a beautiful white dog was hurt in an accident and the idea of such a thing nearly broke his heart. So "Blackie" stayed with Mr. Hall in Room 214, Camphor Hall. Somehow the dog sensed that he would have to earn his right to live here and so he did. It's reported that Mr. Dent knows when a stranger is on campus by "Blackie's" ferocious growl and bark.

When Mr. Hall departed, he left "Blackie" without a master. The veterans on campus quickly came to his rescue. They littered the place with his food and established an account in the Business Office for his vaccination each year. Some people say "Blackie" knew this, but dodged the dogcatcher anyway.

"Blackie" knew that the veterans would leave soon and he readily discerned that he had caught the fancy of Mrs. Ridgeway. Surely, if she could put up with the men of Hartzell and Camphor Hall, she could manage a spot for him. And that is what she did . . . a spot in her heart. From that day to this, he has been her dog.

Once during Homecoming, a group of fellows led by George Allen, from Mobile, bathed, brushed and preened him and dressed him in a sweater with a "D" on it. "Blackie" laid down the law and refused to participate in any more foolishness.

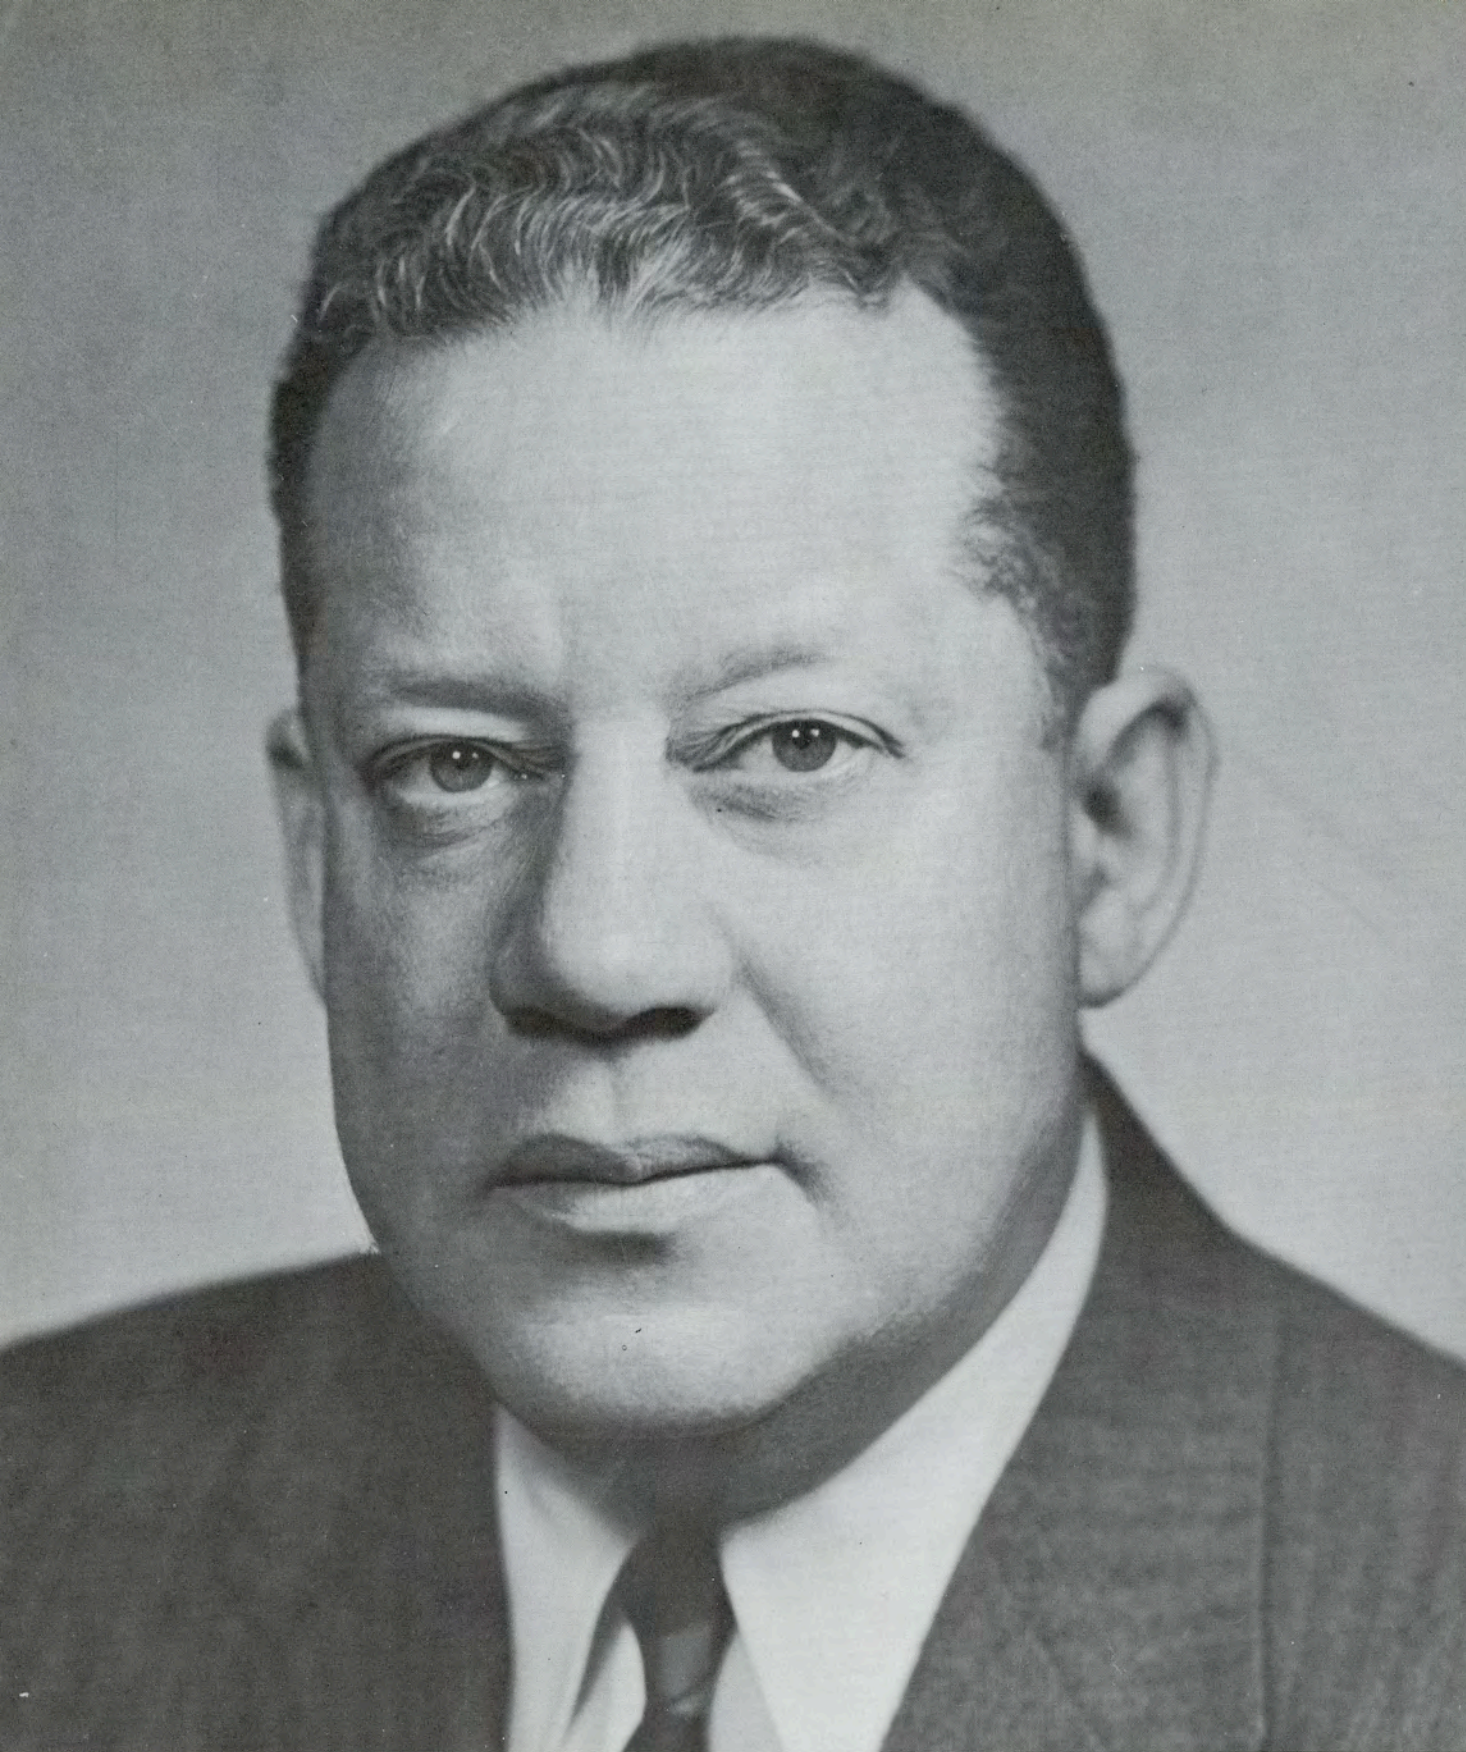

He became a Captain in the Maintenance Men's Corps and, though he is now a retired General, he twice demonstrated to the President, that though old, he's still on the job.

When he tires of lounging on the campus, he goes to bed in the office of Camphor Hall. He no longer hears very well and rain and thunder frighten him. He's slow, but readily goes to Griffin Rivers, Leroy Thomas and Doug Baker.

"Blackie" is a very special breed . . . a pure combination of Dalmation, Lewellyn Setter and—as Mrs. Ridgeway puts it—"Mighty Nice Dog." Everyone at Dillard can learn a lesson from him—"earning his right to be here."

This year, we pay tribute to "Blackie," B.A., M.A., Ph.D. and D.O.G., hoping that he'll be around for another 14 years and more besides.

The President

President's Message

Many years from now, when you have reached my age, you will still be able through these pages to re-live your days at Dillard. More and more you will realize, I think, that they were both the happiest days of your life and, I hope, the most intellectually exciting. The friendly fellowship and high endeavor that are characteristic of Dillard can never be quite duplicated in your experiences, but their memory can be cherished for the rest of your lives. My best wishes for happiness and success are yours always.

Al Dent

Deans

DR. EDWARD E. RILEY, JR.

DR. SAMUEL L. GANDY
Dean of the Chapel

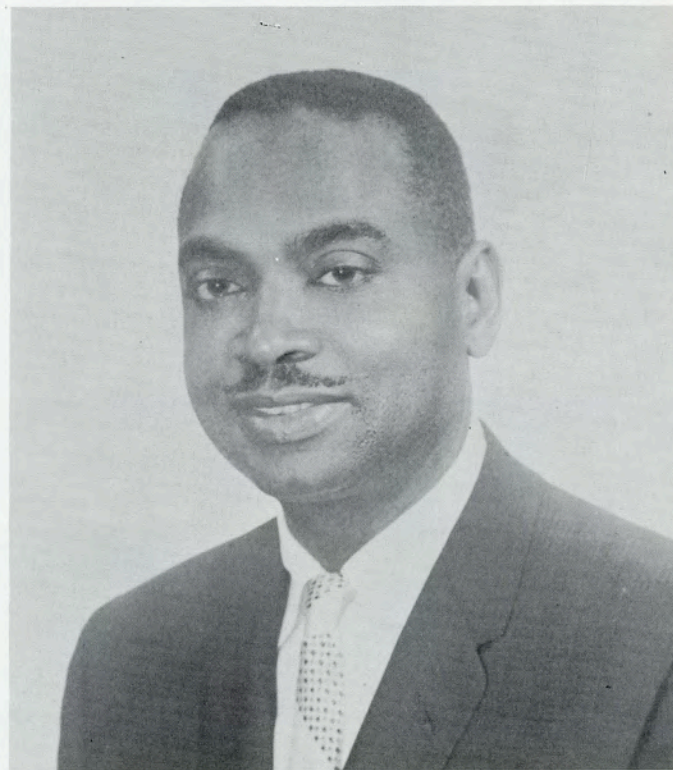

The administrative positions at Dillard University are filled by capable, conscientious and friendly men and women.

Their jobs are not the easiest, but we feel that a great deal of interest is involved in their work. Each day they are faced with old and new problems that are a part of running an institution like Dillard.

The problems are many and varied. At the beginning of the year we barrage the Registrar's office; at Homecoming and the end of each semester the Business Manager has his hands full. Through the chaos of a hectic day, Mr. Wagner has one consolation—to look out of the window and see the new library building gradually going up. A day's work may involve the solution of an academic problem and maybe a visit to the Dean of Students' office.

We seek out our Deans for needed assistance as well as "excuses" of every imaginable kind. In other words, the administrators' jobs are filled with headachy adventures which only college students can provide. And how do they take it? Well, just listen to Dean Gandy's laugh echoing throughout the chapel.

The Division of the Natural Sciences seeks to acquaint the student with the individual sciences and their interrelationships. The student has many opportunities to appreciate and develop interest in the unexplored areas of science.

The Division of the Natural Sciences offers a concentration in biology, chemistry and mathematics. Courses taken early in the student's career provide for a liberal education rather than for specialization. The more advanced courses are designed to broaden the student and prepare him for graduate or professional study. Therefore, the individual science curriculum embraces programs for the general student, the pre-medical or pre-dental student, and the potential scientist.

The Division of Nursing is an outgrowth of the pressing demand for nurses to meet the basic health problems which effect the health of the entire nation. It includes the physical and biological sciences, social sciences, medical sciences, nursing and allied arts, and other general education courses. Upon the completion of the entire curriculum students receive the degree, Bachelor of Science in Nursing, and are eligible, if twenty-one years of age, to take the State Board examination given by the Louisiana State Board of Nurse Examiners. Successful passing of this examination entitles the graduate nurse to registration in Louisiana and makes her eligible for membership in nursing organizations.

The Division of Nursing is accredited by the Louisiana State Board of Nurse examiners, and the National Nursing Accrediting Service.

The Dillard University program in Education aims to prepare students for teaching in the kindergarten, elementary and secondary education fields. It proposes to send into the teaching profession individuals proficient in both subject matter content and techniques of teaching. It also proposes to furnish these individuals with a sound educational philosophy so as to enable them to perform with distinction in their chosen field of work.

The curriculum in the Division of Education is organized to equip the student with: (1) a general education in the areas of the humanities, the sciences, social science, health education and recreation; (2) specialization in the subject matter of the field in which he expects to teach; (3) professional discipline through the study of psychology, and the history, philosophy, and principles of education; (4) a capacity for good teaching through observation, participation and practice teaching in the pre-schools; and (5) a professional and a democratic point of view.

The Division of Humanities embraces the fields of English, fine arts, modern foreign languages (French, German, Spanish), music, religion and philosophy, speech and drama.

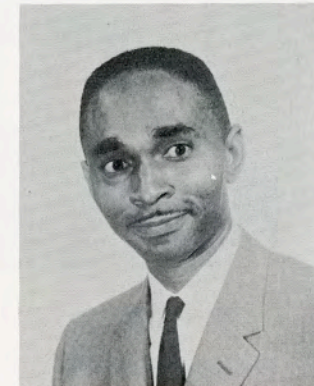

Through these disciplines, the Division of Humanities seeks to encourage in the student an appreciation for his cultural heritage and inspire reflective thought upon the nature and meaning of the human enterprise as these are reflected in the art and literature of the most sensitive minds.

The Division also seeks to equip the student with sufficient knowledge and skill in subject areas so as to facilitate success in graduate or professional study.

Although considered to be a dark horse this year in the conference because of the lack of returning lettermen and facing stiff competition from non-conference teams, the Dillard University Blue Devils won their second Conference Championship in the past four years.

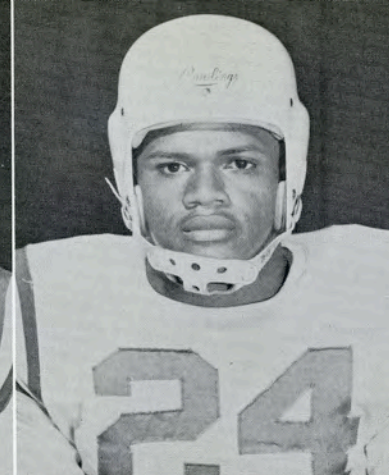

Throughout the season, the Blue Devils were led capably by their only graduating senior, quarterback William Clark, who hails from Mobile, Alabama. The offense was engineered by the power running of fullbacks Robert Polk, John Glapion and LeBaron Kennedy and halfbacks Irvin Overton, Nelson Myers and Kent Johnson. Leading the forward wall were: John Dorsey, George Scott, John Lee, Walter Steele and Johnny Cunningham.

Using the combination of the two-platoon system composed of recruited freshmen and veterans of the 1959 campaign, Coach Martin's Blue Devils won seven games, lost one and tied with the defending champions, Bishop College of Marshall, Texas, 0-0 on Thanksgiving Day.

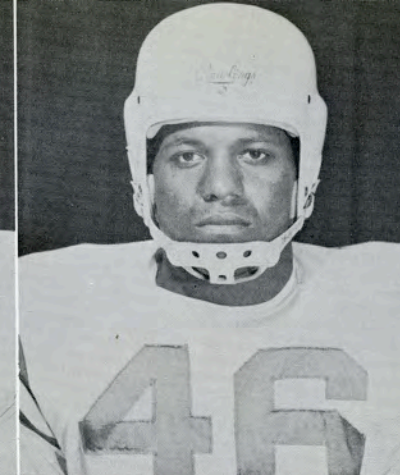

The Blue Devils had five players to make the All-Conference Team: linemen Walter Steele, George Scott, and Freddie Jones; backs Robert Polk and William Clark.

Homecoming

Alumni of '60 talking over old times with Dean Cope

Second prize in car decorations goes to Santa Filomena

October 28, 1960 began our busy and glorious Homecoming week end. As returning alumni began to fill the campus, spirit seemed to mount, and the anxiety and anticipation of the preparations for the parade began to take shape.

The pep rally, bonfire and parade all highlighted the events leading up to the big game and dance. Prizes for the most decorative floats were again awarded. This year Omega Psi Phi Fraternity broke the spell cast in past years by Santa Filomena, who this time took second. Third prizes went to the Ivy Leaf Club of Alpha Kappa Alpha Sorority.

Our queen, Miss Elsie Ricks, reigned over the game. She was attended by Barbara Antoine, Jeanne Rosario, Yvonne Stith, and Esther Maxon, and crowned by President Dent. To make her reign even more glorious our fighting Blue Devils captured the contest of the day by a triumphant 50-12 victory over Tougaloo College.

Then to climax the day, everyone delighted at dancing and presenting gifts to "Miss Dillard" in Henson Hall.

The week end was actually rounded off with the Founders Day observance on Sunday, October 30. Vesper services in the chapel were preceded by a banquet on Friday night in Kearny Hall.

What's the co-op without Mr. Dutton?

"Now that's what I call a real gentleman."

Man, what a day!

So that's what happened to the lost chord.

Books on display are to be seen, not read.

the Library

No, we don't have that book, it hasn't been written yet.

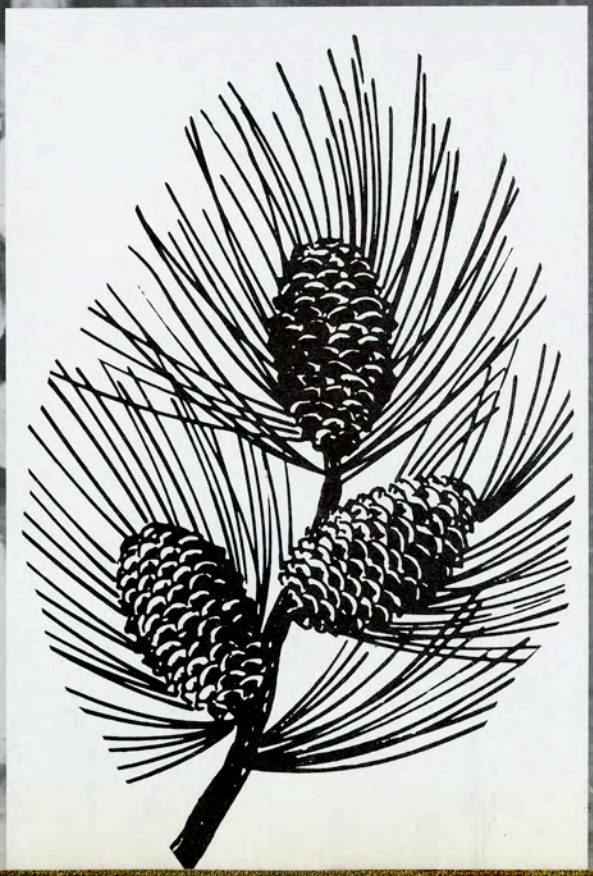

This indirect lighting certainly makes the reading easier, I wonder why I don't understand it.

This student's record shows that he has a forty dollar fine. Isn't that wonderful?

No, we didn't come to the Library to study, we're going to stage a "Read-In."

The Dillard University Blue Devil Cagers, coached by William Martin, won their fourth straight Gulf Coast Conference Championship. They posted a season's record of 18 wins versus 7 losses, including their play in the Georgia Invitational Tournament in which they tied with Tennessee State University for fourth place. The Devils also played in the N.A.I.A. District 6 play-off in which they lost to Grambling College for the third straight year.

With only two graduating seniors, Robert Williamson and Ralph Laster, the Devils are looking forward to having another great season next year. The Devils were led this year by their All-American candidate Carl McCollum, 6 ft. 6 in. forward from Chicago, and the consistency of such stalwarts as Kenneth Nevels, Louis Andrews, Ralph Laster, Lawrence Crawford, Bob Williamson, and Arnold Nevels, who is considered to be the best sixth man in the South. Other standouts on the team were Alton Gill, Clarence Watkins, and the Windy City jumping-jack Jerry Watts.

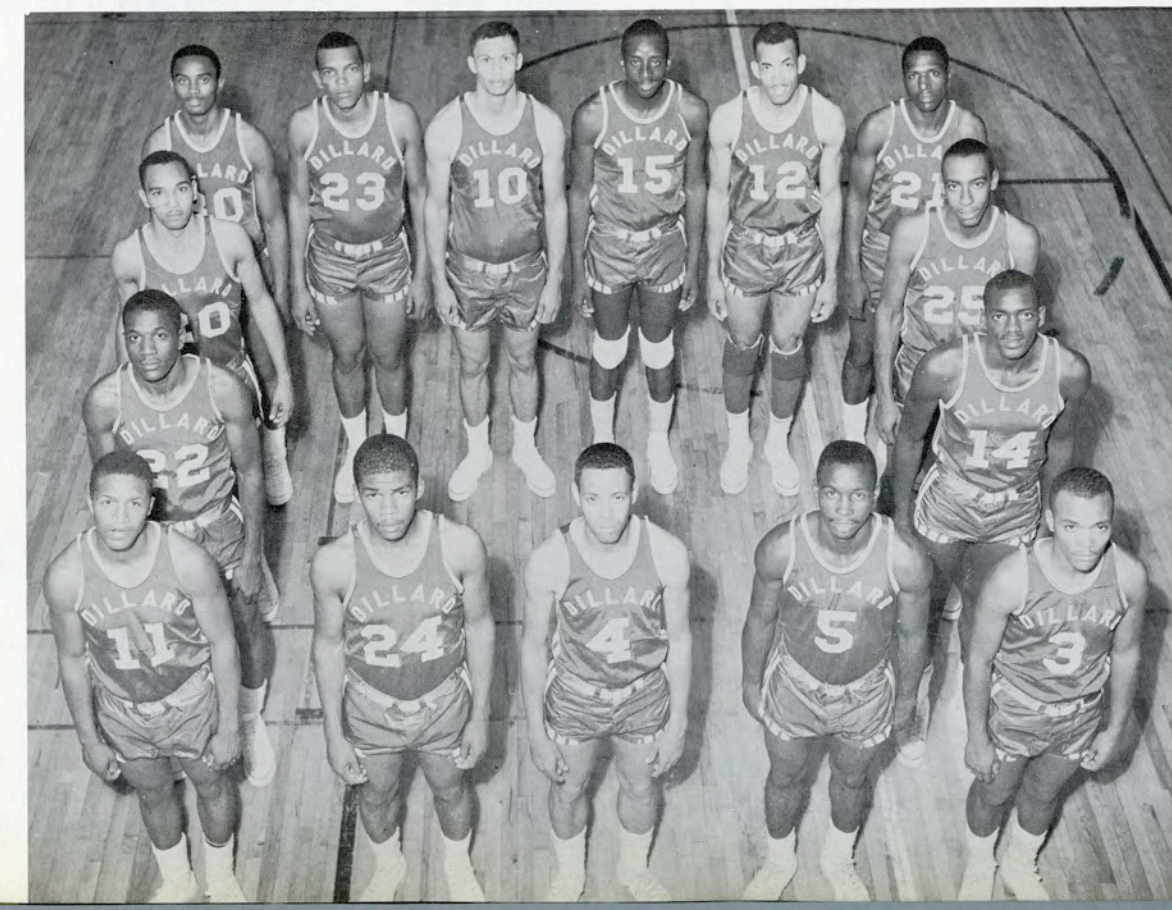

The Devils kept another record going. They won all of their games in Henson Hall, which makes three years without losing a home game. They lost their last home game Feb. 26, 1958, to Philander Smith College.

Coach William Martin receiving award after winning his 100th game in his sixth season at Dillard.

Breakfast: Grits time.

Pre-dawn nurses line up.

he countdown—8, 9, then 10 o'clock.

Sofa warmers (no money).

And I said to him, "I won't iron your shirts!"

What are our hospitals going to come to?

What do they need a wife for?

Typical chapel hour.

"Pocology" majors.

The stolen moments (I wonder where Mrs. X is?)

Just keeping a check.

End of the day and the Co-op closes.

...and we burn the midnight oil.

6:00 o'clock—Don't forget to sign out.

Guess what? The candy machine was robbed.

Hair pulling time in Williams Hall Salon.

The monthly roll that's almost gone.

This is the life!

Typical Freshman—wants to go home every week.

Day-in and Day-out

I wonder who did it?

I wonder if he knows there's a dance?

Christmas Dinner and Dance

Every year campus Dillardites look forward to the Christmas Dinner and Dance. This festive occasion brings about gaily decorated tables, pretty dresses and bright smiles. Faculty and students carry out the elegant holiday theme in the traditional Dillard fashion. This occasion is looked forward to with much anticipation as one of the highlights of the season, climaxed by a dynamic address by the President of the University giving over to an evening of dancing. Everyone leaves the dinner and dance in a mood of yuletide bliss. All campus Dillardites will agree that this is the best way to begin the Christmas holidays.

"Look at those people eat!"

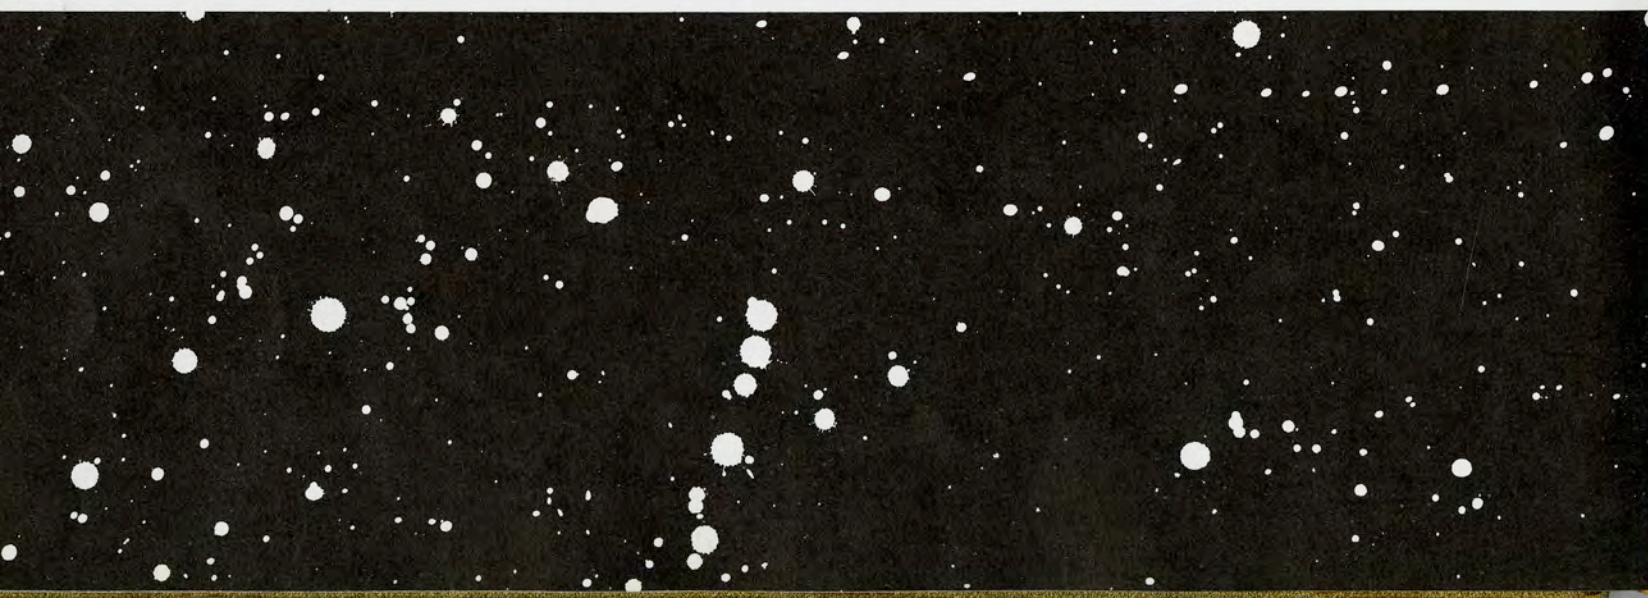

At last they got a chance to sit at the Kappas' table

Jerry Watts sailing through the air in a winning broad jump

The Dillard University cindermen, defending Gulf Coast Conference Champions, seem as we go to press to be well on their way towards capturing another conference championship. They are coached by Artis Davenport who is in his second year at Dillard.

The team is made up predominantly of freshmen, such as broad jumper Jerry Watts who jumped 23.2 feet in the Dillard-Alcorn meet and speedsters Henry Crawford, Sidney Madise, Johnny Shelwood and Leslie Taylor, who made up the winning sprint medly relay team in this same meet. Returning are such veterans as Thomas Letcher, All-Conference discus thrower, and All-Conference javelin thrower Louis Andrews, who during last year's campaign broke three field records and set a new Gulf Coast Conference record with a throw of 207 feet. Unfortunately, the team is without the services of Ronald Henderson, who last year broke three field records in the 440-yard run, set a new conference record of 47.5 seconds and won third place in the 440 at the N.A.I.A. track meet last summer in South Dakota.

Of course we sponsored Sadie Hawkins Day!

Now is your chance gals, the race has begun

Sadie Hawkins Day has become one of the most popular student organization-sponsored activities of the campus. Sadie Hawkins is sponsored by AKA Sorority, depicting Dogpatch, of the familiar Daisy Mae-Li' Abner cartoon.

The day starts with a race, such as running in a particular area of the campus. After the female has caught her catch, she brings him to the flagpole to a wedding ceremony. There she receives her legal "dog-patch" marriage certificate. The highlight of the day is at the dance. There prizes are given for costumes and to the male with the smallest waist.

The proceeds from the dance this year were given to the UNCF drive.

President of the Student Union

The Executive Council of the Student Union is the student governing body of Dillard University. It represents all phases of student activity and its general purpose is to promote student welfare and closer student-faculty co-operation. The Council acts as a clearing house for student opinion on all matters concerning student welfare, provides a means through which students may work in close co-operation with administrative officers and faculty members in all programs, and serves as a practical laboratory for exercising the democratic process.

Who's Who

AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

Sixteen students from Dillard University were selected for inclusion in the 1961 edition of Who's Who Among Students in American Universities and Colleges.

The criteria used for selection are high scholarship, campus, leadership, service to the institution, and promise of future usefulness. Students from approximately 750 colleges and universities are included in the publication.

Debating Guild

The Debating Guild of Dillard is an extra-curricular activity which provides certain students, selected from volunteers, with training and practice in the art of argumentation.

Clarity of expression, fluency, logic, impromptu thinking, and skill in oral presentation of ideas are qualities stressed and fostered. Through debating the student is helped in his ideas. The student who participates in the Guild learns to deal critically with controversial issues.

Intercollegiate tournaments provide students with a criterion for comparing their abilities and performances with other college students and through travel, students broaden their experiences and learn to adjust themselves to different social situations.

Dillard Players Guild

The Dillard Players' Guild, well into its second decade of presenting dramatic productions for the campus and New Orleans community, began its 1960-61 season with Morton Wishengrad's "The Rope Dancers," a realistic, psychological drama. The participants in this production were Altanette Butler, James Pittman, John Lee and several newcomers to the Dillard stage: Sonia Howell, Cedric Hinson, Norbert Davidson, Sibyl Davis and Edward Roberts.

The second major production, "The Madwoman of Chaillot," was presented in March. The play had a cast of twenty-nine and featured Willa Coaxum in the title role.

The final production of the season was an original play, "Epitaph for a Bluebird," a comedy-fantasy, by the Guild's director, Ted Shine.

Mr. Shine: "Uh, try that over again."
Adelle: "That's right and make it good, or I'll quit."

"Countess, we bring you these basketballs. How about a hook shot?"

"What's the matter, James."

"You'll have to take this off with lye, it came with Dillard, y'know."

Tune: Side by Side

Let's talk about the people of Greek land,
You must know all about them before you can,
Do-da-do-day—there's so much to say of one and all.
(Repeat)
Alphas, Kappas and Zetas
And, even dear Omegas,
People you had better dig us for we even have some grand
ole Sigmas.
Two more that will live forever,
Alpha Kappa Alpha and Delta,
We travel along the Dillard zone, one and all.

Beta Phi Chapter of Alpha Phi Alpha Fraternity was established at Dillard University on November 11 1938. Since its founding the men of Beta Phi have attempted to offer an opportunity for fellowship and brotherhood, without destroying individual personalities.

It is the desire of this chapter to encourage and stimulate high scholarship without placing before the men unnecessary ideals which actually obliterate the true meaning of the academic disciplines. This was demonstrated through Beta Phi being the recipient of the scholarship cup this year.

Entrance into the "House of Alpha" is open to all young men who demonstrate corresponding ideals.

Through numerous civic and social welfare projects, Delta Sigma Theta Sorority relates itself to the community of which it is a part. Its charitable contributions are more than a gesture in sharing. It plays an important part in working with other organizations for social education and action on legislation in behalf of civil and human rights. As the sorority works on its major projects, as it gives scholarships and assistance to worthy students, it strives to realize its high purpose.

Kappa Alpha Psi Fraternity is comprised of 201 functioning undergraduate and alumni chapters, and boasts of a membership of 25,000. The organization was founded January 5, 1911, at Indiana University, Bloomington, and is proud that the Constitution which its founder drafted more than fifty years ago contains no clause which excludes, or suggests exclusion of, membership on the basis of race. The constitution is predicated upon and dedicated to the principles of achievement through a truly democratic fraternity.

A Big Strong Line

Even editors have to study sometimes

Published periodically by the students of Dillard University, "Courtbouillon" speaks for the entire student body. This newspaper is concerned with student affairs and off-campus affairs only in so far as they affect the student body. It presents the news accurately, impartially, and entertainingly.

THE 1961 *Diable Bleu* Staff

As we bring our work on the 1961 LE DIABLE BLEU to a close, we look back over the missed classes, lost sleep, quick tempers, sentimental moods and breathe with a sigh of relief.

There are those persons to whom we are eternally grateful for their wholehearted assistance and support and would like to acknowledge at this time:

To our advisor, Mr. Backus, without whose assistance and encouragement this task would have been impossible.

To the entire staff of Nolan Marshall Studios, who are responsible for the excellent photographic material, even to the extent of the preposterous request for getting a group of

pictures taken and back in twelve hours.

To the Benson Printing Company, especially Mr. William Benson, Jr., and Mr. Dan Eadie, for their printing, stretching of deadlines, personal correspondence and assistance.

And finally to the administration, faculty, staff and our fellow students, without whose co-operation and support this dream could not have become a reality.

To each and every one of you, from the depths of our hearts we would like to say, "Thanks A Million" for everything.

at the end of school, we pay out our bills...

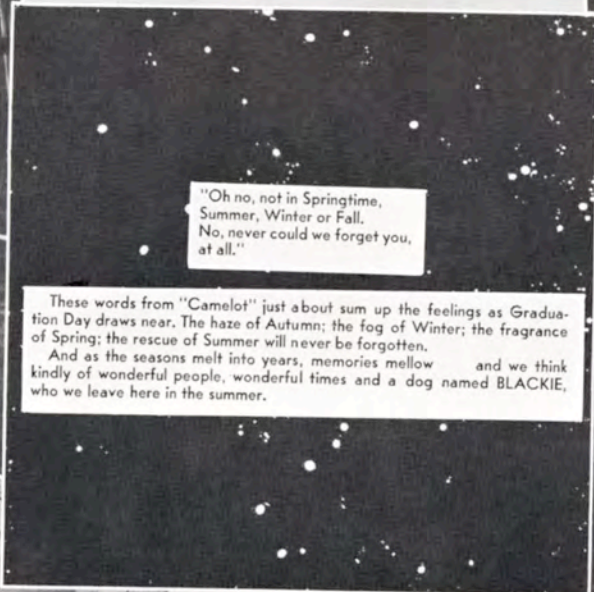

those industrious ones gather up their linen...

and prepare to clean their rooms...

Others just lie around in theirs as it is...

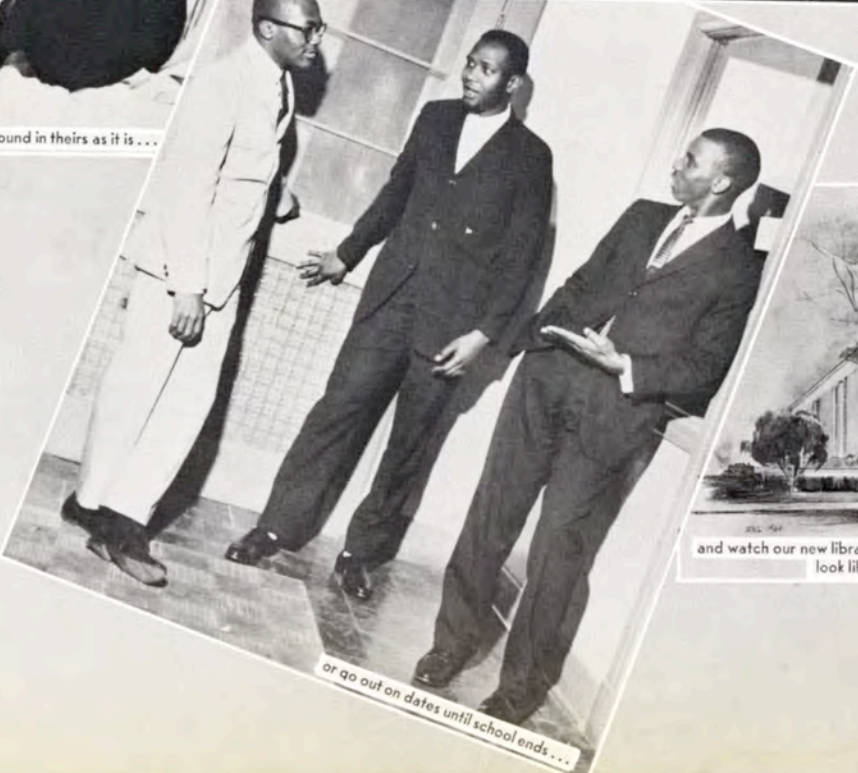

"Oh no, not in Springtime,
Summer, Winter or Fall.
No, never could we forget you,
at all."

These words from "Camelot" just about sum up the feelings as Graduation Day draws near. The haze of Autumn; the fog of Winter; the fragrance of Spring; the rescue of Summer will never be forgotten. And as the seasons melt into years, memories mellow and we think kindly of wonderful people, wonderful times and a dog named BLACKIE, who we leave here in the summer.

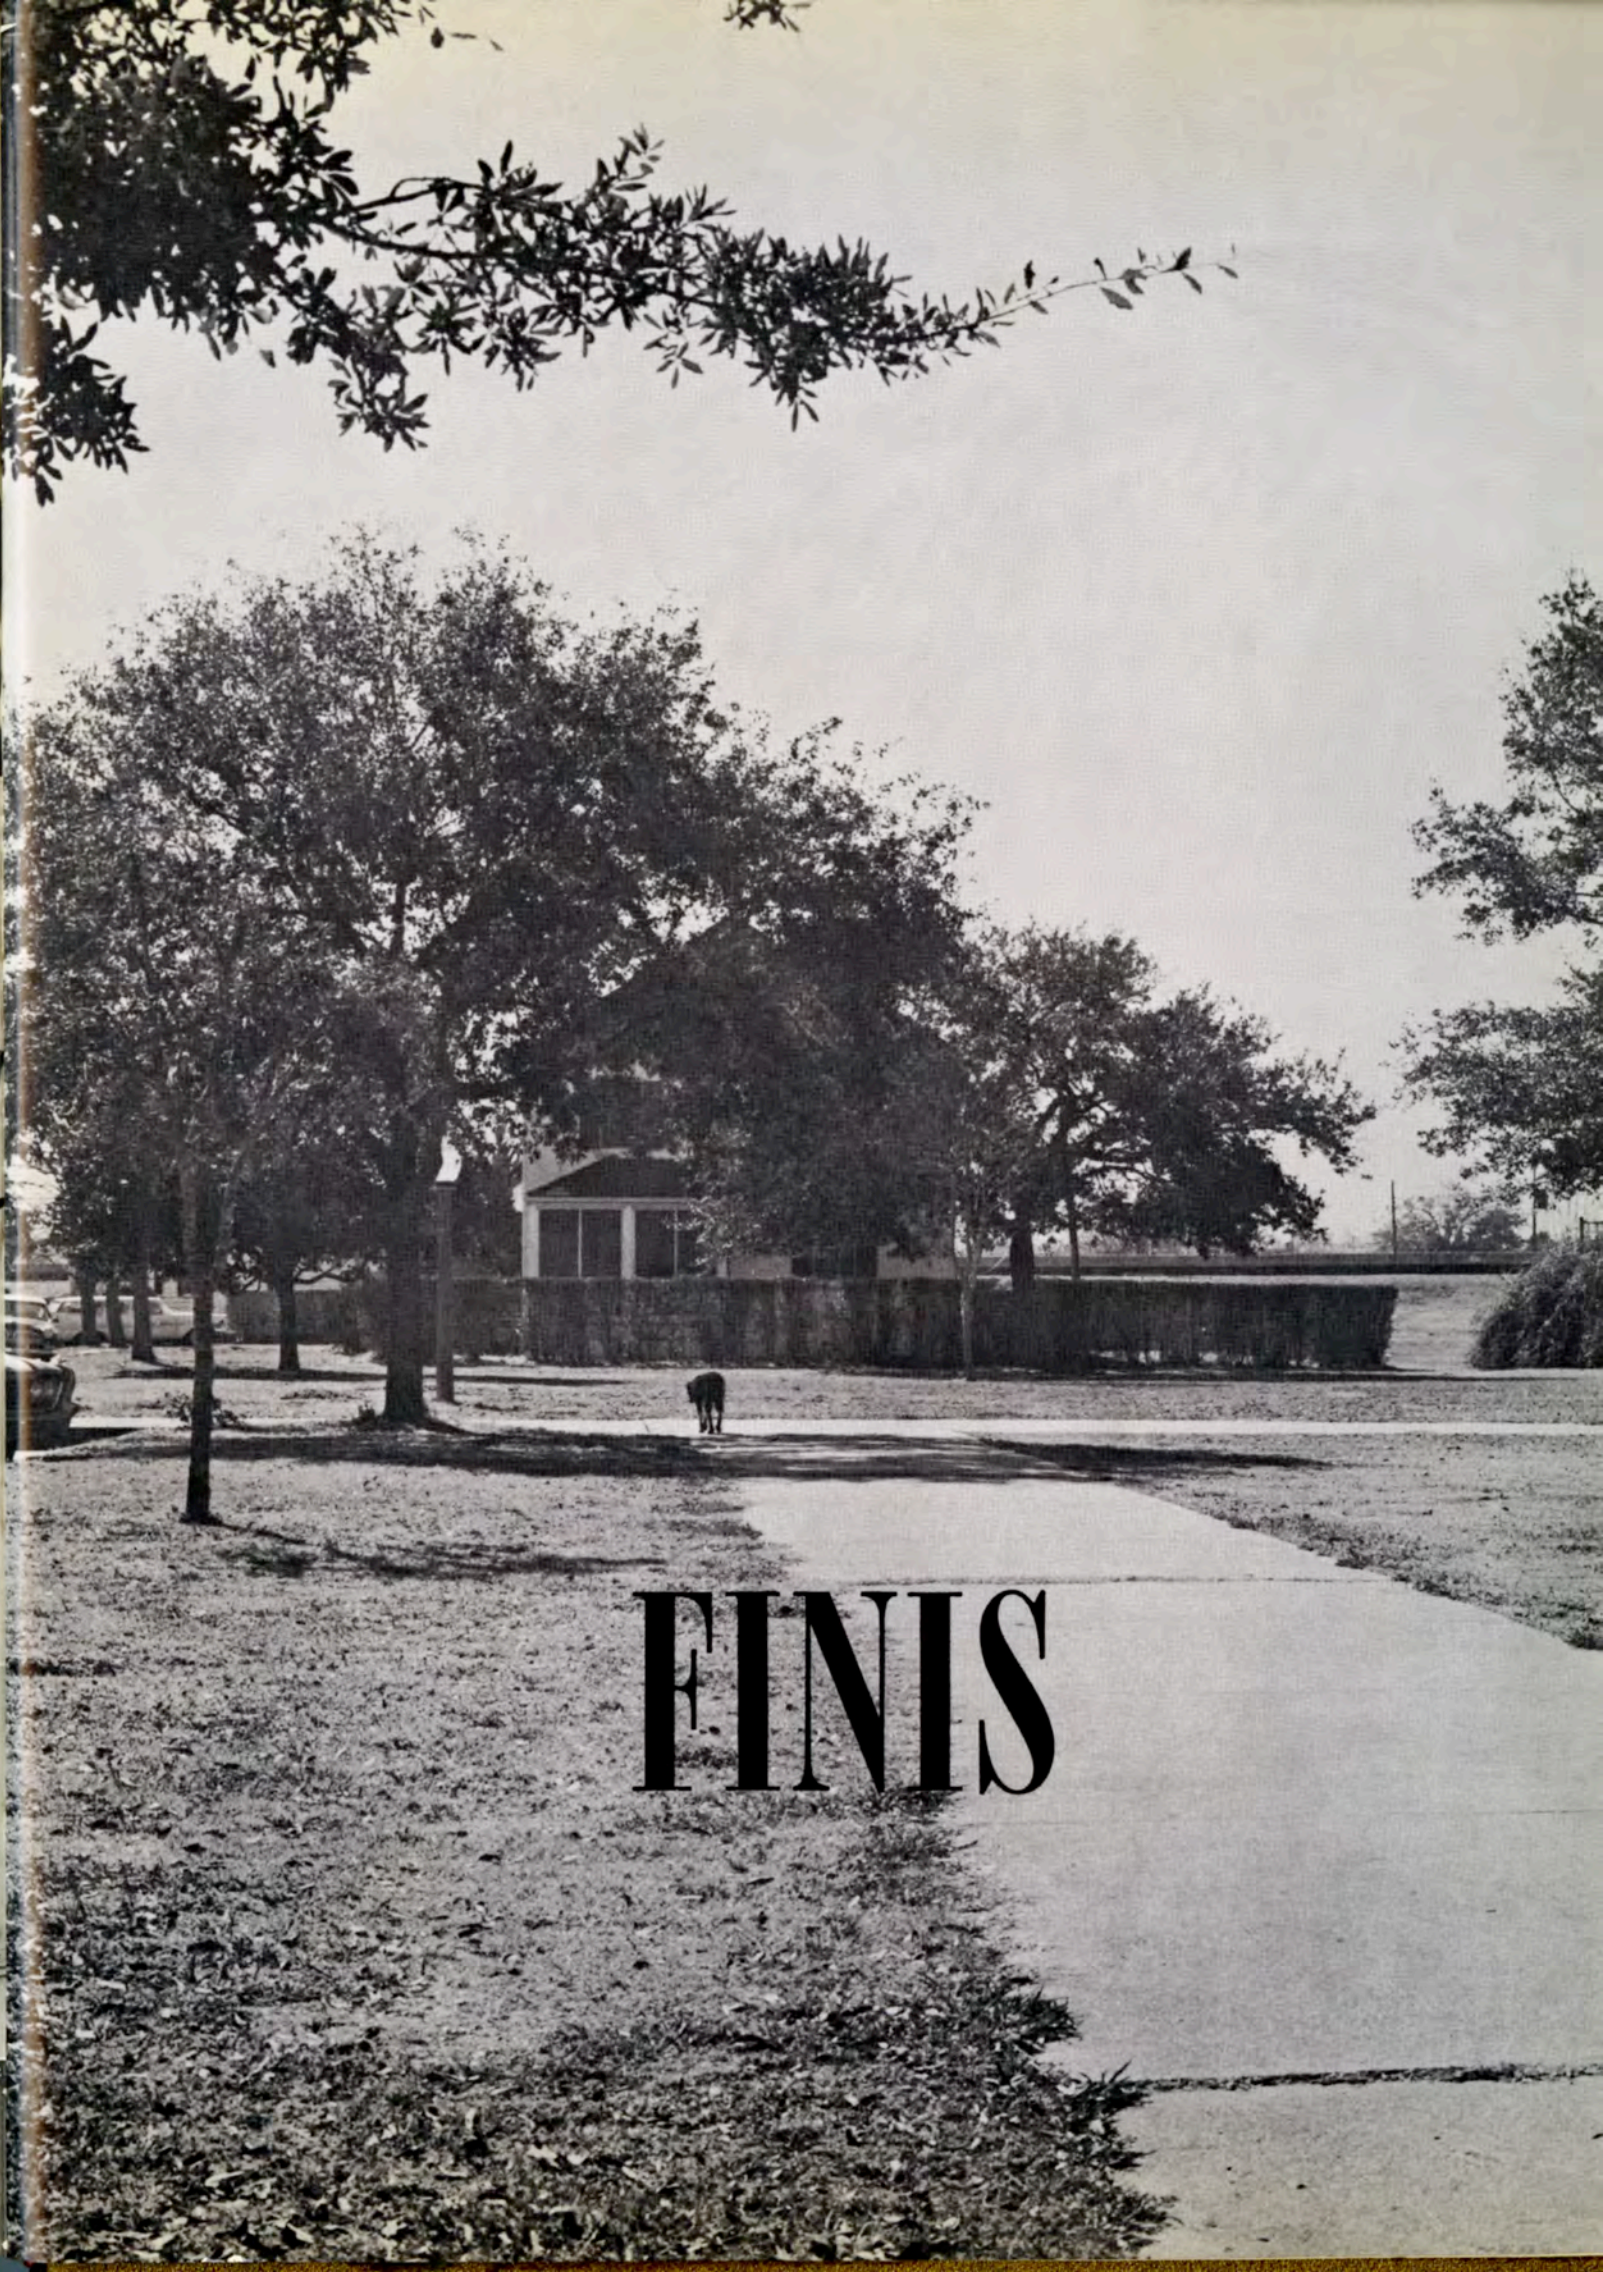

or talk on the phone forever...

or go out on dates until school ends...

and watch our new library building take form which we expect to look like this in September.
